Subject: Pace Settlement Tech discussion

Hi Rob and Doug-

I have done some analysis on the Pace (Plumb) property (SS-27, I believe) to develop a NRDA claim, but I've got some questions about the area and EPA's data associated with it, and would like to go over these with you before I finalize a claim statement for Dana and Amelia.

Could you two please give me some dates/times you're available? I'm actually pretty open next week, but if not then it would have to be the first of the year.

I've summarized my availability below- please let me know if you are available within these windows.

12/16 (Mon): 2pm-4pm

12/17 (Tue): 1pm-4pm

12/18 (Wed): 9am-4pm (the RFTS Team call is scheduled for 10:30am—maybe we could stay on the call and discuss afterward?)

12/19 (Thurs): 9am-10am

12/20 (Fri): 9am-1pm

1/10 (Fri): 9am-1pm

~Chris
